

GRID IRON GRILL

THE RESTAURANT IN A TRUCK STOP THAT'S NOT YOUR TYPICAL TRUCK STOP RESTAURANT

Grid Iron Grill was developed to change the way Americans think about truck stop restaurants. Grid Iron Grill offers high quality foods and great portion sizes at reasonable prices. We've also thrown in a few items that you don't normally find in the typical truck stop. We believe that everyone needs great choices, great food, and great service. We're changing the way America thinks. Have a comment? We would love to hear from you. Please email all comments and suggestions to: karnail@lakeray.com
