# A Family Affair

"The History Of How Our Café Became A Landmark"

*The construction of this beautiful, rustic landmark originally began in 1917. Its completion came in 1918 when Mr. Pink Green opened the Landmark Café. Mr. Green, our great-great-great uncle, named his café Pink Green's Café. This was a very prominent home town eating establishment.*

*It was not until 1956 when Mr. Pink Green placed his café up for sale. Mr. Green stated that he would like to continue the tradition of quality service and food. His niece Dora Tanner Taylor, our great-great aunt, bought the business and opened Taylor's Café. Aunt Dora's café was operational until 1970.*

*In 1996 Nick and Chellie Tanner opened the Landmark Café in the late fall with seafood specials. The café was operational until the spring of 1997.*

*It is the summer of 1997, and the Landmark Café is once again open. My brother Nick served seafood and po-boys. I will continue to serve and provide the quality food as before, with the best service at the oldest eating establishment in Lucedale. We hope and pray to continue the "Family Affair".*

Thanks,

Keith, Theresa,  
Kristen & Bart Tanner
