<i>Samples of all Comer's favorites on one big plate!</i>	

Somethin' to Talk About:

What's a fashion trend you followed but now wish you hadn't?

What's the most common dream you recall having?

Is there one work or phrase that you overuse?
What is it?

When's the last time you truly went "beyond the call of duty" for anything?

If you had to pick one movie sequel that was better than the original,
what would it be?
