

Plant City Drive - In & Restaurant

Breakfast - Lunch- Dinner

We appreciate your support as we celebrate our 17th year in business.

The **Plant City Drive-In Restaurant** was established in 1957. Since then it has had many owners, most of whom were related. The restaurant is currently owned by George Liristis and family.

The Liristis family originated in Athens, Greece and moved to Plant City from New York City in 1989. George bought the restaurant from his cousins, John and Manny Nouaros.

George has been associated with the restaurant business for over twenty years. His belief is "**GREAT FOOD AT A GREAT PRICE**". He purchases the finest ingredients available. Almost everything is homemade. The soup is made from scratch and the meats are USDA Choice. All Sandwiches include free soup and all dinners include free soup, salad and potato. We feature the largest menu in Plant City with over 120 sandwich and dinner items.

As a family, we would like to thank our regular customers and, of course, our snowbirds for their constant support through the years.

Enjoy your dinner and remember - "**GREAT FOOD AT A GREAT PRICE**"
