Linda's More Better Sandwiches...

Lettuce, tomato, onyun and mayo free with purchase of any sandwich at regular price.
Your choice of white or wheat bread, just like them uptown restaurants offer
(or homemade when the cook gets up in time to bake it). We can even toast it fer ya'll
if the sun is shinin and Roy feels like holdin the lookin glass a spell.

- Courtney's Delight...grilled cheese.. 2.05
(6.00 when the cook is in a bad mood,
Cause she don't like to fix em.)
- Grilled ham and cheese 4.50
- Not grilled ham and cheese with
mayo and mustard..... 4.50
- B.L.T. (Roy thought this meant better luck
tomorrow) 4.75
- Egg and cheese 1.95

- Chicken salad with lettuce and tomato
(highly recommended by them bulls).. 4.50
- Egg...fixed ya'lls way or Linda's
(don't make no never mind to the cook) 1.95
- Turkey (weren't on the menu till Miss Sarah
said, "Put it on", ain't nobody says "no" to
Miss Sarah. A lot of Pastor Gary's prayers
are for Miss Sarah) 4.50
- B.B.Q. beef (I think?) 5.15

More Good Stuff...

- Chicken tenders (we hear tell that some city
cooks call these chicken fingers; imagine
anyone thinkin chicken have fingers (I
do declare), with French fries 5.85
- Hot wangs (if they was any hotter they would
be on far, not a good thing considerin the
far house is all the way to Chiefland) 3.50
- French fries (so good the customers had
to fight for finger space with the waitress;
who just claims to be the quantity
control person) 1.95
- Onyun rings (ditto) 2.50

Bigger Is Better Burgers...

- Roy says he weighs these in at half a pound each
before cooking...we ain't caught him with his thumb
on the scales yet. Only the finest beef will do, cept
when he runs out, then we hear him mumblin
sumthin bout havin to go scoutin under buzzards
for second best.
- Roy Burger (plump says it all) 4.50
 - Roy Better Burger 4.65
- Comes with yeller cheese less you want white
make up yer own mind cause it don't make no
never mind to the cook. Caution!! Be sure to
make yer mind before orderin cause I'm here to
tell you that waitress can git awful cranky when
you make her change things on her order pad;
crayons don't erase very well.

*Menu written and designed by Don Stilton, a Southern Yankee transplant from
South Tacoma, Washington (state ya'll), who never gets any service here
but keeps on coming back anyways.*

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase
your risk of food borne illness, especially if you have certain medical conditions.
